Wine Characteristic:

Degree of dryness: dry
Sugar content (g/l): 2.9 g/l
Alcohol content(%): 14.61 % vol.
Total acidity (g/l): 4.6 g/l

Wine Description:

The wine fermented to a complete dryness is mostly matured in barriques and less in barrels. Maturing in barriques highlights the high tannin content and leathery alcoholic taste, while the barrel preserves its fruitiness. The Twickel Zichy wines are made from premium grapes inherent with the Szekszárd Wine Region. The Merlot with its deep Bordeaux red color has a smooth taste of fresh berries which creates this outstanding vintage of the great Merlot grape.
